Audience: Text Difficulty 2 - Text Difficulty 3 MG/Middle grades (4th-8th) 620 4.2 ISBN: 9781442478640 Author Notes: Carolyn Keene was the pseudonym that Mildred Wirt Benson and Walter Karig used to write Nancy Drew books. The idea of Nancy Drew came from Edward Stratemeyer in 1929. He also had other series, that included the Hardy Boys, but he died in 1930 before the Nancy Drew series became famous. His daughters, Harriet and Edna, inherited his company and maintained Nancy Drew having Mildred Wirt Benson, the original Carolyn Keene, as the principal ghostwriter. During the Depression, they asked Benson to take a pay cut and she refused, which is when Karig wrote the books. Karig's Nancy Drew books were Nancy's Mysterious Letter, The Sign of the Twisted Candles, and Password to Larkspur Lane. He was fired from writing more books because of his refusal to honor the request that he keep his work as Carolyn Keene a secret. He allowed the Library of Congress to learn of his authorship and his name appeared on their catalog cards. Afterwards, they rehired Benson and she wrote until her last Nancy Drew book (#30) was written in 1953, Clue of the Velvet Mask. Harriet and Edna Stratemeyer also contributed to the Nancy Drew series. Edna wrote plot outlines for several of the early books and Harriet, who claimed to be the sole author, had actually outlined and edited nearly all the volumes written by Benson. The Stratemeyer Syndicate had begun to make its writers sign contracts that prohibited them from claiming any credit for their works, but Benson never denied her writing books for the series. After Harriet's death in 1982, Simon and Schuster became the owners of the Stratemeyer Syndicate properties and in 1994, publicly recognized Benson for her work at a Nancy Drew conference at her alma mater, the University of Iowa. Now, Nancy Drew has several ghostwriters and artists that have contributed to her more recent incarnations. (Bowker Author Biography) © 1996-2014, Amazon.com, Inc. or its affiliates From day one, the truth behind JFK's assassination has been mired in controversy and dispute. The Warren Commission, established just seven days after Kennedy's death, delved into the who, what, when, and where of the tragedy, and over the course of the following year compiled an 889-page report that arrived at the now widely contested conclusion: Lee Harvey Oswald was the sole assassin. In Who Really Killed Kennedy?, Jerome R. Corsi, Ph.D., provides listeners with the ultimate JFK assassination theory book. 4 out of 5 stars By Mark Lynch on 26-02-18 Diana Palmer delivers a tale of two unlikely lovers in turn-of-the-century Texas who are about to find love where they least expect it... Count Eduardo Cortes's fortune—and future at his beloved ranch—are in question. Tragedy, money woes and family pressure are now driving him toward a marriage of convenience. That is, until he encounters Bernadette Barron, wandering frightened and disheveled after a society ball.... Beneath the grime, it's clear Bernadette is beautiful and rich. But is she just another heartbreak waiting to happen or has Eduardo finally found the one woman who can save his ranch and heal his heart? The Spanish count can provide Bernadette with the title she needs—but can he return her feelings? Gazing into her husband's penetrating eyes, Bernadette sees not only his calculating ways but also his quick arousal to passion. Will their growing desire be enough to overcome the mounting challenges they face...and claim the love she will not be denied? Originally published October 1998 by Ballantine/Fawcett Gold Books in mass market paperback. Diana Palmer is giving away a vintage Diana Palmer novel. Back to Top Visit other sites in the Penguin Random House Network Kat Martin, Author St. Martin's Press \$5.99 (372p) ISBN 978-0-312-95774-2 More By and About This Author Martin's latest (after Devil's Prize) explores the aftermath of the Mexican-American War and its effect on California circa 1850. The nebulous laws aimed at settling land disputes between the Mexican Californios and the Americanos allowed some Anglos to steal vast quantities of California land. This story is about one such Anglo-Caralee McConnell's uncle-who has staked a claim to Rancho del Robles, the ranch owned for centuries by Ramon de la Guerra's family. Ramon, determined to ""set things right, to find justice with or without the Anglo law,"" fights back under the guise of El Dragon. A midnight raid on the ranch nets him Caralee, who becomes his unwilling hostage and later his unwanted bride. Despite a contrived and predictable ending, the author's colorful overview of the awakening of California, its people and their way of life makes this a worthwhile read. (Mar.)
